

***Looking forward to seeing you!***

**MT AGATE Conference 2020**

***April 23 and 24***

**Great Falls, MT**

***Thursday Keynote—Rachel McAnallen***

Known simply as "Ms. Math" to children and educators across the country, Rachel McAnallen has devoted her life to sharing the joy and beauty of mathematics with learners of all ages. Rachel is an engaging presenter who will be sure you will leave the conference with ideas and strategies to use in your classroom on Monday morning.

***Friday Keynote – Brian Housand***

Brian is an associate professor and coordinator for the Academically and Intellectually Gifted Program at East Carolina University. He frequently presents and works as an educational consultant on the integration of technology and enrichment into the curriculum. Brian is currently researching ways in which technology can enhance the learning environment and is striving to define creative-productive giftedness in the digital age. Check out his website <http://brianhousand.com> and you can follow him on Twitter @brianhousand.
